HERITAGE HOUSE **MIXER**

April 8, 2026

11 am - 1 pm

455 S. Willowbrook Ave.
Compton, CA 90220

The week of April 6-10, 2026 has been designated by the National Community Development Association as National Community Development Week to celebrate the Community Development Block Grant (CDBG) Program.

This will be a great opportunity to learn how CDBG funding has revitalized our community. Sharing local success stories and project highlights demonstrate the immense impact that CDBG has on program beneficiaries.

We will have past and present CDBG funded non-profits onsite sharing valuable information on the services they offer.

The exterior of the **Heritage House** was remodeled utilizing CDBG funds. It will be open for the public to have an opportunity to tour the inside.
