

## **HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME)**

The HOME Investment Partnerships Program (HOME) provides formula grants to States and localities that communities use - often in partnership with local nonprofit groups to fund a wide range of activities including building, buying, and/or rehabilitating affordable housing for rent or homeownership or providing direct rental assistance to low-income people. HOME is the largest Federal block grant to state and local governments designed exclusively to create affordable housing for low-income households.

The **Fix It** and **Deferred Equity Loan** Programs are being updated at this time and will re-open shortly.
