

Reasonable Modification/Accommodation Frequently Asked Questions

What is changing?

The Federal Department of Transportation (DOT) has revised the rules under the Americans with Disabilities Act (ADA) and Section 504 of Rehabilitation Act of 1973.

The revised rules provide for public transit organizations to make reasonable modifications and accommodations to policies, practices, and procedures to avoid discrimination, and to ensure accessibility to individuals with disabilities.

What does a reasonable modification/accommodation do?

A Reasonable modification/accommodation will enable a person with a disability to fully use transit services.

When is this being implemented?

The rule is effective July 13, 2015.

What service does reasonable modification/accommodation apply to?

Reasonable modification/accommodation applies

to the City of Compton's Dial-A-Ride service.

How do I make a Reasonable Modification Request Form?

Individuals with disabilities may request a reasonable modification of the City of Compton's Dial-A-Ride service in order to accommodate a disability. The City of Compton asks that a written request be made in advance using the Reasonable Modification Request Form.

Where do I obtain a Reasonable Modification Request Form?

There are several ways to obtain a Reasonable Modification Request Form:

- Send an email to contactpw@comptoncity.org
- Send a request to: Public Works Engineering Department, Dial-A-Ride Services Representative, 205 South Willowbrook Avenue, Compton, CA 90220
- Call the Dial-A-Ride Division at 310-605-6224.

**What happens after I submit my
written reasonable
modification/accommodation
request?** A written reply will be sent within ten (10) business days. The written response will communicate the decision regarding the requested

reasonable modification/accommodation, and the reason (s) for the decision.

What is the basis for accommodating or denying a request?

Requests are reviewed to determine if the reasonable modification/accommodation provides use or access for the City of Compton’s Dial-A-Ride services that the requestor otherwise would not have. The City of Compton’s focus is on accessibility, as distinct from convenience.

The DOT has prescribed four type of requests for modification/accommodation. requests may be declined if:

1. It fundamentally alters the nature of the service, program or activity
2. It creates a direct threat to the health or safety of others
3. It results in undue financial and administrative burden
4. The requestor would still be able to fully use the service provided by Metro without the modification

What kinds of requests can be accommodated? Here are some examples of accommodations that

can be made for customers with disabilities:

- Customer request to stop ahead of or behind a bus stop due to an obstruction (such as a parked car) or construction, when it is safe to do so, for either boarding or exiting a bus
- Customer request to board before other passengers who are non-disabled
- Customer request for a convenience stop due to lack of curb cuts or accessible path of travel

What kinds of requests will be denied? Here are some examples of accommodations that will be denied:

- Customer flagging a bus for pickup without a reservation
- Customer request for bus operator to perform personal care attendant functions
- Customer request for partial wheelchair securement
- Customer request to use lap and shoulder belt without wheelchair securement
- Boarding a customer whose service animal is not under control
- Boarding a customer who wheelchair is being used to transport only possessions.

- Boarding a customer who is intoxicated, threatening, violent, or abusive

Can I make request for a Reasonable Modication/Accommodation on the bus?

Requests can be made to Bus Operators if you are unable to make requests in advance. Service may be delayed as your request is considered.

Please indicate if you have already made a written request. The City of Compton representative may need to contact a supervisor regarding your request
