

**Request for Proposals  
For  
Street Sign Replacement, Installation, Maintenance and Reposting Services**

The City of Compton Public Works Department is soliciting a Request for Proposals (RFPs) from qualified street sign replacement, installation and maintenance and reposting contractors to perform street sign replacement, installation, maintenance and reposting services on an “as needed” basis citywide.

The RFP describes the proposal format, submittal requirements, preliminary scope of services, the minimum information that must be included in the proposal, and the selection process.

Request For Proposals can be obtained from the City’s website at [www.comptoncity.org](http://www.comptoncity.org) or by calling 310-605-5691. Failure to submit the proposal in accordance with the procedures outlined may cause for disqualification.

In order to be considered in the selection process, interested parties shall submit five (5) hard copies and one (1) digital copy of their proposal no later than **3:00 PM, June 3, 2021** to:

**City of Compton  
City Clerk’s Office  
205 South Willowbrook Avenue  
Compton, CA 90220  
Attention: Public Works Street Maintenance Department**

Late proposals will not be accepted.

The City of Compton thanks you for your interest.

**Sincerely,**

**Alita Godwin  
City Clerk**
