

**Request for Proposals
For
Emergency Abatement Services**

September 15, 2021

The City of Compton Building and Safety Department is soliciting a Request for Proposals (RFPs) from qualified contractors to perform emergency abatement services on an “as needed” basis.

The RFP describes the proposal format, submittal requirements, preliminary scope of services, the minimum information that must be included in the proposal and the selection process.

Request For Proposals can be obtained from the City Clerk’s Office, the City’s website at www.comptoncity.org or by calling 310-605-5509. Failure to submit the Proposal in accordance with the procedures outlined maybe cause for disqualification.

In order to be considered in the selection process, interested parties shall submit three (3) copies of their proposal no later than **3:00 PM, October 5, 2021** to:

**City of Compton
City Clerk’s Office
205 South Willowbrook Avenue
Compton, CA 90220
Attention: Mr. Victor Orozco
Chief Building Official**

Late proposals will not be accepted.

The City of Compton thanks you for your interest.

Sincerely,

**Alita Goodwin
City Clerk**
